DONATION COORDINATION

\$100 / hourly *(5 hour minimum engagement)*

EcoSet provides lead generation to match-make specific show materials to our vast network of reuse recipients. Our team connects viable partners with the production contacts for scheduling and direct pick up from the strike location.

**AVOIDS
transport, labor
and dumpsters**

Reducing Scope 3 Emissions

Our ReDirect materials diversion service reduces department-wide production waste and carbon emissions associated with sending mixed materials to landfills.

REPORTING METRICS

We will provide the weight of all diverted materials dropped off to EcoSet.
