

ZERO-WASTE GOALS

ecoset.la / @ecoset

This production aligns with **Green the Bid** best practices. Green the Bid is a trade organization and resource that was founded to shift the advertising production industry to zero-waste, carbon neutral, sustainable and regenerative practices.

Recycling

Blue bin collection:

- Paper and cardboard
- Plastics #1, 2, 5
- Metal cans and containers
- Soft plastics and bags

Composting

Green bin collection:

- Food waste including meat, bones, dairy and liquids
- Soiled napkins, paper and fiber compostable products

Reusable Materials

Scenery, set dressing, props, wood, paint, scrap materials:

EcoSet gives a second life to all reusable production materials and creative discards. *With a plan in place, it's not waste!*

Zero Waste Initiatives

ON SET COLLECTION

ecoset.la / @ecoset

Tech Drive

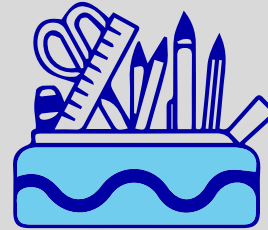

Bring your E-Waste and unused technology to set and we'll recycle it for you.

- Cords, cables, batteries
- Phone, tablets, laptops
- Small electronics

No hazardous waste or deep cycle batteries will be accepted

Supply Drive

We'll donate your surplus supplies to schools, artists and nonprofits.

- Art and craft supplies
- School supplies
- Office supplies

Used supplies and partial quantities are fine!

EcoSet processes e-waste with Homeboy Electronics Recycling. Homeboy is a social enterprise, providing employment for formerly incarcerated and gang-involved individuals while keeping harmful electronic materials out of landfills.

Access to the Excess

EcoSet recirculates reusable materials from the entertainment industry as a free resource to others. Filmmakers, artists, students, teachers, theaters and individuals have access to budget saving items discarded by productions.
