

TARGET CREATIVE SUSTAINABILITY

Zero Waste and Reuse Goals

Target is committed to minimizing the environmental impact of their shoots. EcoSet is our sustainability partner. Thank you for your collaboration with our waste diversion and reuse goals.

Materials we are collecting:

- Compost:** food waste, liquids, soiled paper and compostable food service products
- Recycling:** paper, cardboard, plastics, metals, glass, e-waste, foam, wood scraps
- Reusable materials:** scenic elements, set dressing, wardrobe, location protection, expendables, scrap materials and more

Reusable bottles and aluminum canned water avoid single-use plastic and boxed water bottles

With a plan in place, its not waste!

eco set COMPOST

REUSABLE MATERIALS

All reusable items are donated to benefit the local community through EcoSet's Materials Oasis reuse center.
